# MOVE MONEY AUTOMATED CLEARING HOUSE (ACH) AND WIRE TRANSFER AGREEMENT

PLEASE READ THIS AGREEMENT CAREFULLY. In this Agreement, "I", "me", "my", "we", "us", and "our" refer to the individuals or parties who are the account owners, have an interest in the account, and consent to be bound by the terms of this Agreement. The following is a legally binding contract between me and TD Ameritrade Institutional, Division of TD Ameritrade, Inc. (TD Ameritrade). This agreement governs my use of the TD Ameritrade website (website), services and content in relation to funding of my TD Ameritrade account through the use of an Automated Clearing House (ACH) Transaction. Please note that the ACH Transaction Client Agreement (Agreement) does not supersede or limit the Terms and Conditions that govern my TD Ameritrade account.

#### Changes to the Client Agreement

The policies outlined below are not all-inclusive and may be subject to change. TD Ameritrade reserves the right to amend, change, and revise the Agreement at any time and without prior notice to me. TD Ameritrade will post such amendments, changes, or modifications on the website, or at its option, may otherwise choose to deliver to me, electronically or otherwise, the amendments, changes, or modifications or the amended Agreement. My continued use of the website and the Services after the amended Agreement is posted on the website constitutes my agreement to and acceptance of the amended Agreement, regardless of whether I have actually read the amendments, changes, or modifications.

## Terms of Usage

I understand that TD Ameritrade provides ACH and wire services for the primary purpose of the purchase or sale of securities.

As applicable, TD Ameritrade may modify the client's electronic bank instructions. From time to time, TD Ameritrade, as the originator, may receive a notification of change (NOC) from the client's bank. This may occur when previously provided bank instructions have become outdated due to changes with the respective bank structure/organization. The Originator is obligated under industry regulation (NACHA 5.3.2) to effect these updates initiated by the client's bank.

#### **Electronic Delivery of Information**

I understand that TD Ameritrade may electronically deliver to me or my advisor information about electronic funding, including information about bank setup(s), status of my deposits or withdrawals request(s), and any other information necessary to complete my requested transactions.

I understand that "electronically deliver" means that TD Ameritrade may communicate such information to me or my advisor by email or by posting the information on the TD Ameritrade website (where I can read and print the information).

I understand that delivery of information related to my bank setup does not guarantee the acceptance of an ACH transaction by my financial institution.

## Right of Revocation

I understand that usage of ACH services to facilitate my recurring transactions may be revoked and discontinued at any time. My Advisor can cancel a recurring transaction by logging on to the TD Ameritrade Veo<sup>®</sup> application and deleting the appropriate transaction. I can cancel a recurring transaction by calling a TD Ameritrade Client Services Representative at 800-431-3500 or by writing to TD Ameritrade at:

Mailing Address: TD Ameritrade Institutional PO BOX 919094 San Diego, CA 92191-9094 Overnight Address: TD Ameritrade Institutional 5010 Wateridge Vista Drive San Diego, CA 92121-5775

I understand that TD Ameritrade must receive my request at least five business days prior to the date the payment is scheduled to be made. I will not be charged for such cancellation requests.

## Electronic Deposit and/or Withdrawal Rejects

I understand that unless my ACH or wire transaction is immediately rejected, TD Ameritrade will post my ACH or wire transaction to my account, subject to restrictions. This action is not a confirmation that my financial institution or TD Ameritrade has completed the transfer of funds. I understand that a transfer reject may occur, even subsequent to account funding. I will be responsible for any transactions effected in my account based on those funds.

If TD Ameritrade receives notice that my ACH transaction was not processed as requested, TD Ameritrade may, as a courtesy, attempt to contact my advisor by email and/or by posting a notice on my account via the website and/or by phone.

#### **Guidelines and Restrictions**

I understand the following acceptable deposit guidelines:

A maximum electronic transfer of \$250,000 per day must come from a U.S. bank account in U.S. funds.

An ACH transaction may be drawn from a personal checking or savings account titled exactly the same as the TD Ameritrade account to be funded. An ACH transaction from a joint bank account may be deposited into either bank account owner's TD Ameritrade account.

An ACH transaction from an individual bank account may be deposited into a joint TD Ameritrade account if that party is one of the TD Ameritrade account owners.

An ACH transaction from an individual or joint bank account may be deposited into an IRA belonging to either account owner. I understand that I am responsible for understanding any tax ramifications related to making a deposit into my IRA.

To complete an IRA contribution I must complete an electronic deposit form.

I acknowledge that any funds being withdrawn from a UTMA or UGMA account will be used exclusively for the benefit of the minor.

## I understand the following restrictions:

TD Ameritrade currently imposes no transaction charges in connection with my use of ACH or wire transfers. TD Ameritrade does, however, charge a fee on direct deposit and electronic funds transfer items that are returned to TD Ameritrade due to insufficient or uncollected funds in my account at my financial institution. The fee will be the same as that charged for returned checks as provided in my TD Ameritrade account agreement. TD Ameritrade reserves the right to charge a fee for this service. Prior to implementing such a fee, TD Ameritrade will communicate any transaction fee(s) that may apply.

The IRS has specific regulations with regard to maximum allowable contributions within each tax year for qualified plans. TD Ameritrade does not give legal or tax advice, and it is my responsibility to contact a tax advisor to determine the maximum allowable contribution for my IRA and any additional restrictions that may apply.

Funds cannot be withdrawn or used to purchase non-marginable securities, initial public offering (IPO) stocks, or options during the first three business days. This holding period begins on the settlement date. Additionally, these funds may not be withdrawn within the first 60 days the account is open, unless they are returned by wire or ACH back to the originating bank account after the holding period (subject to a wire fee). I may trade most marginable securities immediately after funds are deposited into my account.

Not all financial institutions participate in ACH or wire funding. I will consult my bank to determine if they will approve an ACH or wire transaction prior to acceptance of this agreement. An ACH Return Fee may be charged if the bank or financial institution rejects an ACH transaction. Please note: A transfer reject may occur subsequent to the posting of funds to the account. I understand that it is my responsibility to verify the success of my ACH Transaction request with my financial institution.

TD Ameritrade cannot accept an electronic transaction from accounts drawn on brokerage accounts or some money market accounts. Some credit unions and savings accounts may not accept a request for an electronic transaction. Some financial institutions may not accept electronic transactions from savings accounts. The success of a transaction drawn on a credit union or savings account is subject to the acceptance of the credit union or financial institution.

The withdrawal amount cannot exceed the cash available for withdrawal in the account. I may withdraw funds prior to settlement in a margin account; however, funds withdrawn before the settlement date will incur additional fees and/or interest charges. Funds cannot be withdrawn prior to settlement in a cash account.

The withdrawal amount cannot reduce my margin account equity below required minimum equity levels.

If the account is in a margin call, a withdrawal cannot be made.

Other situations may arise when an ACH transfer of funds is deemed unacceptable.

Options involve risks and are not suitable for all investors.
